Dear Mr. Sampson:

Thank you for your reception report of June 28 and please excuse the late reply.

The information that you received WSLT from 2:32 to 2:51:30 on June 28, 1964 appears correct and I am happy to verify your report. WSLT began regualar broadcasting on June 12, 1964. We operate on 1520 kcs. with 1000 watts and a two-tower cardioid directional pattern. 185° True in the direction of maximum radiation and 328° and 42° are the minimums, in the direction of WKBW and WFYI respectively.

Again, thank you for the report and you are welcome to stop in and see our studios next time you are in Ocean City.

Sincerely,

Ric Hammond
